

The background image shows a grand, historic interior space, likely a library or a formal hall. A wide staircase with a dark wooden handrail leads up from the lower left towards the center. The walls are made of large, light-colored stone blocks. On the right side, there are tall, fluted columns supporting an arched ceiling. A large, ornate chandelier hangs from the ceiling in the upper right. The overall lighting is warm and golden, creating a sense of elegance and history.

ABOUT US

A LANDMARK DESTINATION FOR EXTRAORDINARY EVENTS

Nestled in the heart of Covent Garden, 60 Great Queen Street is the home of commercial events at Freemasons' Hall. Completed in 1933 as the home of the United Grand Lodge of England, this striking Art Deco masterpiece was purpose-built to host meetings and events, a tradition that continues to this day.

With 10 versatile spaces available for hire, accommodating anywhere from 40 to 1,350 guests, the venue offers a distinctive backdrop for an array of events. From conferences, award ceremonies, and gala dinners to fashion shows, creative performances, and weddings, every occasion is elevated by the building's architectural magnificence and timeless elegance.

HISTORY

A LEGACY OF KNOWLEDGE AND PHILANTHROPY

Since 1775, 60 Great Queen Street has been a gathering place for Freemasons, an institution built on knowledge, tradition, and philanthropy. The current building, completed in 1933, is a monument to those who lost their lives in World War I and was initially named the Masonic Peace Memorial. Remarkably, it was funded entirely by Freemason Lodges across the country, a testament to the fraternity's unity and commitment.

Freemasonry traces its origins to the world of stonemasonry, where early members possessed expertise in building and geometry. Over time, it evolved into a society renowned for travel, knowledge sharing, and fraternity. Many distinguished historical figures were Freemasons,

including Sir Christopher Wren, the visionary architect of St. Paul's Cathedral, and Sir Winston Churchill, Britain's wartime Prime Minister.

Freemasonry is an inclusive and diverse organisation with no political or religious affiliations and welcomes members of all ages, races, religions, and backgrounds. Its core values — Integrity, Friendship, Respect, and Service—are complemented by a deep commitment to charity. In 2024, the United Grand Lodge of England raised an impressive £15 million for charitable causes, and today, every emergency helicopter in London is funded by Freemasons, reflecting their enduring legacy of generosity and service.
